

Scottish Songs

Misty Islands of the Highlands

Chorus

*Misty islands of the Highlands
That's there's this heart of mine
Forever wants to be;
Misty Islands of the Highlands,
Homeland of memories
Where the heather meets the sea.
White crofters cabin that beckons from the glen
Sweet voices singing
Will ye no' come back again.
Misty islands of the Highlands,
That's where this heart of mine
Forever wants to be.*

Isles of the West

Where my thoughts I caress
As I dream of the land I was born in
Just let my eyes see the blue Highland Skies
And the peat smoke arise in the morning.

Chorus
