

# Scottish Songs

## **Lovely Stornoway**

### **Chorus**

*Make your way to Stornoway  
On the road to Orinsay,  
Where my thoughts return each day,  
By lovely Stornoway.*

Where the folks are truly kind,  
Where you leave the world behind,  
Where each cloud is silver lined,  
By lovely Stornoway.

### **Chorus**

The town Hall clock of Stornoway,  
Chimes it's message every day,  
Heaven can't be far away,  
From lovely Stornoway.

### **Chorus**

No more worries, no more care,  
If you choose to settle there,  
Love will find you ev'rywhere,  
By lovely Stornoway.

### **Chorus**

And no matter where you are,  
Hitch your wagon to a star,  
Heaven can't be very far,  
From lovely Stornoway.

### **Chorus**
